Position Overview

Duties: Under limited supervision, coordinates the Parking and Access Services program in the administration and technical operation, program operations, policies, and procedures.

Minimum Qualifications (Agency Specific):

Completion of an undergraduate major in business administration or a related field at a four year college or university. **OR** High school diploma or GED and Two (2) years of experience performing a variety of routine non-clerical general business support functions for a section/division of an office in an agency or similar entity.

Competencies (Agency Specific):

Knowledge of automated data processing systems and basic computer operations; strong PC skills including Excel and Word with working knowledge of parking systems; ability to read and interpret policies, manuals and instructions; ability to operate equipment skillfully and in conformance with applicable procedures; ability to establish and maintain effective working relationships; ability to communicate effectively, both orally and in writing, with people at different levels and from various backgrounds.

.....

If applying for a position that requires a degree, an official college transcript must be furnished. Only educational credentials from an accredited institution will be considered. GBA will select the most qualified applicants for an interview; only those selected for interviews will be updated on position status.

The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.

Due to a large volume of resumes received by this office, we are unable to provide information on your resume status over the telephone. No notifications will be sent to applicants except to those who are selected for interviews.
