Vision

Setting the standard of excellence for facility management in government.

Mission

To provide a clean, comfortable, and safe environment on Capitol Hill.

GBA is committed to supporting the Capitol Hill complex by providing the highest quality comprehensive facilities management services for state agencies, state employees, and the citizens of Georgia.

Routine GBA service requests such as light bulb replacement, spills, power outage, plumbing overflows, emergency cleaning requests, etc., can be reported by anyone by phone to Tenant Services at 404-463-HELP (4357), or reported online at www.maintenance.gba.ga.gov. We also invite you to visit www.howsmyservice.gba.ga.gov and tell us how we're doing.

Department of Public Safety

The Department of Public Safety (DPS), which includes the Capitol Police Division and the Georgia State Patrol, provides security to all GBA facilities on Capitol Hill. DPS has established a patrol post and police department (Post 50) on Capitol Hill located at 180 Central Avenue.

To report a crime, suspicious activity, emergencies, or if you need assistance, please call 404-624-7281.

DPS has primary responsibility during an emergency or crisis and may order the evacuation of a building when there is evidence that there is a grave risk to life or property within a particular building.

State Fire Marshal

Office of Insurance and Safety Fire Commissioner

All buildings owned, operated, or occupied by the state are subject to fire safety inspections by the State Fire Marshal's Office. State inspectors are given the authority to determine whether the life safety of the occupants and the general public is in danger from fire, explosion, or related hazards, and to enforce requirements set forth by law (OCGA 25-2-22). The Fire Marshal's Office is charged with determining if the level of safety of each building is acceptable through a combination of prevention, protection, egress, and accessibility, which are established as a state minimum fire safety standard by the Safety Fire Commissioner.

The Fire Marshal's Office is charged with determining if the level of safety of each building is acceptable through a combination of prevention, protection, egress, and accessibility.

BUILDINGS

Building Access Cards

Legislators are issued a building access card with access to the Capitol, Coverdell Legislative Office Building and common entrances on Capitol Hill. Card issuance is authorized through the General Assembly Human Resources Office. Current General Assembly policy only allows issuance of access cards to legislators and permanent, full-time employees of the General Assembly. Any changes to access or replacement of the access card must be submitted by the General Assembly Human Resources Office through the Online Building Access System. The cost to replace a building access card is \$20.

Personal interns and aides that ARE NOT on the payroll of the General Assembly do not qualify to receive an access card. **All personal interns and aides will be required to go through the visitor screening process when they enter a state building.**

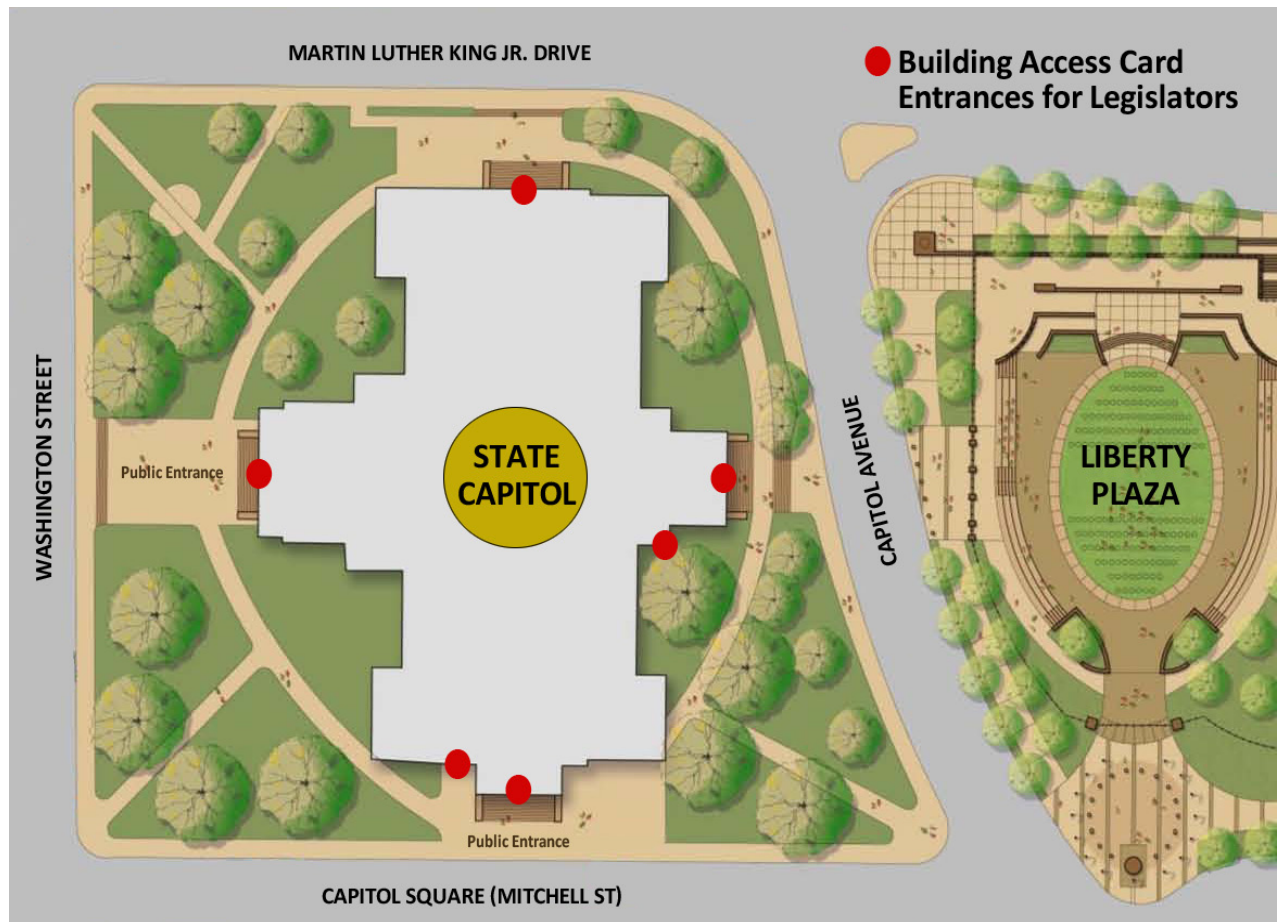

Public entry to the Capitol building is on Capitol Square (Mitchell St.) first floor and Washington Street, second floor.

Access to the Capitol

Legislators have access, through their building access cards, to the designated entries shown below. All access card holders must use the turnstiles for entry and exit. Violation of the access control policies and misuse of the turnstiles, including card pass backs and jumping the turnstile, WILL result in revocation of access through the private entry points.

Tenant Notifications

The Georgia Building Authority e-mails notifications regarding issues related to the buildings it maintains on Capitol Hill. GBA has a notification system that allows individual users to automatically receive these notifications. To view the most recent notifications or to sign up for the e-mail notifications, simply visit www.gba.georgia.gov/tenant-notifications.

Parking Assignments

Legislators are assigned to the South Parking Deck facility. Entrances to the South Parking Deck are located on Capitol Avenue and Capitol Place (the road located between the Coverdell Legislative Office Building). Reserved parking for legislators is located on the basement level, first level and second level of the South Parking Deck. One permit/hangtag (which is non-transferable) is issued to each legislator for use in the vehicle using

Payment is made to the GBA Parking Office at a cost of \$30 for an annual permit expiring on Dec. 31 of each year and \$10 for a three-month (legislative session) permit expiring March 31.

a parking space. The cost to replace a lost parking hangtag is \$30. Vehicles displaying an expired permit or a reported missing/lost hangtag will be booted or towed at the owner's expense. If you have a parking issue, contact the House of Representatives Office or the Secretary of Senate Office. The Coverdell Legislative Office Building can be accessed from the South Parking Deck via a bridge located on the fourth level.

Legislator Spouse Parking

Due to limited parking space during the legislative session, parking permits are not provided to spouses of Legislators. Public parking is available at Steve Polk on MLK Jr. Drive, Pete Hackney at the corner of Decatur Street and Jesse Hill Jr. Drive, or the Capitol Lot across the street from the State Capitol building for a daily fee.

Parking Permit/Hangtag

Parking permits/hangtags must be visible on the vehicle dash or the rearview mirror **at all times while parked** to identify the responsible person for the vehicle. Permission cannot be granted for someone else to park in the legislator's parking area without a permit being displayed.

Visitor Parking

Parking for visitors and private contractors to the Capitol is available at Steve Polk on MLK Jr. Drive, Pete Hackney at the corner of Decatur Street and Jesse Hill Jr. Drive, or the Capitol Lot across the street from the State Capitol building for a daily fee.

Personal Legislative Aides Parking

A letter or e-mail (parking@gba.ga.gov) must be sent by the House or Senate member to the GBA Parking Office including the name, office address and office phone where the intern/aide will work on Capitol Hill.

Prepaid Parking

Prepaid parking may be provided at the GBA parking office for Pete Hackney if the daily rate is paid within 48 hours of the event. Refunds will not be provided.
