Craftsman 3 (Facilities/Maintenance - MTS)

Website: www.gba.ga.gov

Position Overview

Duties: Under general supervision performs a variety of semi-skilled and skilled building trades work in the repair, maintenance or construction of state buildings and related structures. Installs and maintains modular furniture systems, climate control, and other facilities systems. May serve as lead worker and/or supervise support staff.

Minimum Qualifications (Agency Specific): Three years of experience in building repairs and maintenance or in the specific area of assignment. Must have a valid Georgia Driver's License and meet the agency's requirements to be an authorized driver.

Competencies: Considerable knowledge of the methods of maintenance and repair; of skill and technical areas in such as welding, HVAC, carpentry, sheet metal fabrication, electricity, plumbing, etc.; of the use of relevant trade tools, equipment and materials. General knowledge of building construction/repair with considerable skill in at least one trade relating to renovation/construction. Ability to read, interpret and apply construction plans, specifications and blueprints. Working skill in diagnosing maintenance and repair problems. Some skill in supervising less skilled mechanics. Ability to lift, push, pull and carry heavy items.

If applying for a position that requires a degree, an official college transcript must be furnished. Only educational credentials from an accredited institution will be considered. GBA will select the most qualified applicants for an interview; only those selected for interviews will be updated on position status.

The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.

Due to a large volume of resumes received by this office, we are unable to provide information on your resume status over the telephone. No notifications will be sent to applicants except to those who are selected for interviews.
