SECTION 1 – OVERVIEW

The Georgia State Capitol building is the State’s legislative center and an architecturally and historically significant facility located in downtown Atlanta. The building is listed in the National Register of Historic Places.

O.C.G.A. § 50-9-9 grants the Georgia Building Authority (GBA) the authority to establish rules and regulations to carry out the protection of the Capitol building property and its grounds and to protect against unreasonable disruptions of state employees in the performance of their official duties. Under this authority, GBA sets forth these guidelines to govern the temporary use of the public areas of the State Capitol building and grounds. The Board of Regents maintains the Georgia Capitol Museum located inside the Capitol and conducts tours of the Capitol.

The occupancy limit for the State Capitol is eight hundred (800) people including all visitors and those State officials and employees who do not have offices in the Capitol. This limit is designed to continue to allow as much guest access as possible to executive offices, the legislative process, and the historically significant building and artifacts while maintaining a safe environment. GBA and the Georgia Department of Public Safety (DPS) will monitor building occupancy.

The temporary uses of the public areas within the Capitol building and its grounds, including the James H. “Sloppy” Floyd Building, are conditioned upon acceptance and compliance with these guidelines and payment of applicable fees. A person who refuses to adhere to these conditions is subject to criminal penalties provided by law and to immediate removal from the Capitol building and grounds. Sponsoring organizations who are authorized, in accordance with this policy, to use the public areas release the State of Georgia, GBA, its members, officers, agents, and employees against any and all damages, claims, or other liabilities due to personal injury or death, or damage to or loss of property to others, arising out of the use, except to the extent of the sole negligence of GBA.

DPS is the law enforcement entity responsible for the security of the Capitol building and grounds. DPS may suspend or modify the use of the Capitol building and grounds and adopt temporary guidelines as needed.

GBA retains the right to waive or modify any or all of the Guidelines contained herein on a case-by-case basis as deemed necessary by GBA.

Failure to follow these guidelines, or the instructions given by either GBA or law enforcement personnel, will result in the immediate removal of any exhibit or event from the Capitol building and grounds and may result in the denial of future applications to use the public areas of the Capitol building and grounds.

SECTION 2 – USE OF THE CAPITOL BUILDING AND GROUNDS

2.1 General Guidelines

The public areas of the Capitol building and grounds include interior areas of the Georgia Capitol, defined as the South Wing, First Floor, and Liberty Plaza, which is designated as the only outside venue. Also included as a public area is the Plaza Level of the James H. “Sloppy” Floyd Building (Floyd Building). All public areas are identified in Appendix B, attached hereto.

Except for state holidays as designated by the Governor, the regular hours of operation of the Capitol building are 7:00 a.m. to 5:00 p.m. Monday through Friday, the regular hours of operation of Liberty Plaza are 6:00 a.m. to 6:00 p.m. Monday through Friday, and the regular hours of the Floyd Building are 7:30 a.m. to 5:00 p.m. Monday through Friday. These regular hours of operation may be modified for any reason including budgetary, staffing, safety, or weather considerations.

GBA designates two locations for press conferences to be held by legislative members or officials of any branch of Georgia’s government during regular hours of operation: (1) the First Floor; and (2) the South Wing of the second floor. Legislators requesting a press conference are to contact their respective House or Senate press office who will then work with GBA to schedule use of either the First Floor or the South Wing during an available time.

The public areas may be temporarily used as locations for organized events, exhibits, displays, photography sessions and occasions (hereinafter collectively referred to as “event”) so long as for a public or governmental purpose (graduation, birthday parties, civil unions, and weddings are examples of events that are not considered “for a public or governmental purpose”) subject to the following rules and restrictions:

1. Official public business by the agencies of the State and branches of State Government shall take precedence over any other requested use of public areas of the Capitol building and grounds.
2. Priority is given on a first-come, first-served basis, taking into consideration governmental activities, and scheduled guided tours. GBA may determine priority in the temporary use of the public areas of the Capitol building and grounds.
3. Organizations and persons desiring to use the public areas of the Capitol building and grounds should submit a reservation request at least fourteen (14) days in advance of the event. Event requests more than 365 days in advance will be denied.
4. Applicants/event sponsors/organizations are limited to one event per 90 days from the date of the event.
5. Events scheduled in legislative conference room(s) of the Capitol are required to be self-contained in the conference room(s) reserved and shall not utilize additional space in public areas. Events shall abide by the occupancy loads established by the State Fire Marshal for the reserved location.
6. No more than one event will be scheduled for the same time on the same day.
7. No event from an individual organization or person shall be scheduled for more than one day.
8. Once an event date, time and location is confirmed by GBA, all applicable security costs and fees associated with the event must be paid. No permit/license will be issued by GBA unless all security costs and fees are paid for an event or display at least fourteen (14) days before the event or display is scheduled to take place. **YOUR EVENT WILL BE CANCELED FOR NON-PAYMENT IN ACCORDANCE WITH THE STATED TIMEFRAME.**
9. Posting, hanging, or affixing signs, banners, flags, announcements, documents, or decorations on any exterior or interior surface of the Capitol building or grounds surface is prohibited. All event items and materials are to be removed upon conclusion of the event time. All areas must be returned to their pre-event condition.
10. It is prohibited for any person, firm, group, organization, or other entity to beg, panhandle, solicit, charge for admission, or to sell goods, wares, or any other objects or services within the Capitol building and grounds.
11. Exhibits must be prominently and legibly identified in order to inform a reasonable observer of their ownership or sponsorship by either a governmental or private organization or persons. GBA reserves the right to place signage identifying any exhibit. The form of exhibits must be displayed in a manner consistent with the decorum of the Capitol building and grounds.
12. Every effort must be made to avoid placing cords and wires in walking areas. In the event this is not possible, all exposed cords or wires shall be securely covered in the walking areas by the organization.
13. The use of backdrops, camera tripods, non-handheld reflectors, off camera lighting/flash gear, umbrellas and other non-handheld lighting kit equipment is prohibited in the Capitol building except as may be required for either press conferences as referenced in these General Guidelines or by the film/television industry as referenced in provision 2.4 or if special permission is granted by GBA.
14. The State of Georgia is not responsible for damage to or loss or theft of exhibits during the period of their installation, display, or removal. The exhibitor acknowledges that no special security is provided to exhibits by DPS.
15. An event organizer is responsible for property damage caused by their activities during an event or exhibit.
16. Defacing or damaging any Capitol building or grounds property is punishable by law.
17. In case of natural disaster, unforeseen emergencies, or threats endangering public safety or health, DPS and/or GBA reserves the right to cancel (prior to or during) events.
18. Climbing upon the statues, memorials, or other features at the Capitol building or grounds is not allowed.

19. Encroaching upon the grass and gardens of the Capitol grounds is not allowed other than the grass area located at Liberty Plaza.
20. Camping or sleeping on the Capitol grounds is not allowed.
21. Public parking is available in and around the Capitol Hill area. Additional parking information can be found at <https://gba.georgia.gov/services/parking-services/general-public-parking>.
22. Requests to modify or change the exterior lighting surrounding the Capitol building and its dome as part of the recognition of a special event is not allowed.
23. No alcohol is allowed in the Capitol building or on the grounds without the express permission of GBA. Organizations or persons seeking to serve alcohol within the Capitol building or on the grounds must have a license for such purpose.
24. Requests for events, exhibits, news conferences, and occasions for public or governmental purposes that take place in the public areas after regular operating hours shall be reviewed on a case-by-case basis and require a license agreement. Such events are subject to additional security fees which will be invoiced by GBA on behalf of DPS (see Appendix C).
25. If you need to cancel your scheduled event for any reason, please notify GBA immediately. Failure to notify GBA of a cancellation may result in the denial of future reservation requests. In the event of failure to report a cancellation 24 hours prior to an event date, the applicant will forfeit any fees already paid for the event. If you are more than thirty (30) minutes late to your event without giving notice to the GBA event coordinator prior to the start of your event, the event will automatically be canceled, and the applicant will forfeit any fees already paid for the event.
26. PLEASE NOTE: Employees of GBA cannot accept any gifts or gratuities from any person or organization sponsoring an event.
27. GBA strongly discourages the advertising of any event to be held at the Capitol building or Liberty Plaza prior to GBA's approval of the reservation request for the event. Early advertising, whether on social media or any other source, precludes accurate estimation of attendance and may result in creating public confusion in the event the reservation request is not approved for the date and location requested.
28. Except for service animals, animals are not allowed in the interior public areas of the Capitol building, Liberty Plaza or Floyd Building without approval from GBA.
29. No bicycles are permitted inside properties owned by GBA.
30. GBA has equipment (i.e., microphone, podium, chairs, and tables) for use at events. Fees are charged for any equipment, utilities, and labor used for setup and/or removal. Arrangements for equipment should be made at the time of application. There is a flat rate of \$40 fee for the setup of tables and chairs. The rental of linen is a separate \$10 fee per linen. All non-GBA audiovisual (AV) equipment must be pre-approved by GBA. No device intended for the artificial amplification of sound shall be allowed within the Capitol building interior areas unless preapproved by GBA and operated only at the sound level allowed by GBA.
31. Persons or organizations using GBA equipment will be responsible for full payment of any fee no later than fourteen (14) business days prior to the event or the event will be canceled.
32. Persons or organizations using GBA equipment will be responsible for any damage to or loss of these items.
