SECTION 1 – OVERVIEW

The Georgia State Capitol building is the State's legislative center and an architecturally and historically significant facility located in downtown Atlanta. The building is listed in the National Register of Historic Places.

O.C.G.A. § 50-9-9 grants the Georgia Building Authority (GBA) the authority to establish rules and regulations to carry out the protection of the Capitol building property and its grounds and to protect against unreasonable disruptions of state employees in the performance of their official duties. Under this authority, GBA sets forth these guidelines to govern the temporary use of the public areas of the State Capitol building and grounds. The Board of Regents maintains the Georgia Capitol Museum located inside the Capitol and conducts tours of the Capitol.

Permitted temporary uses of the public areas within the Capitol are conditioned upon acceptance and compliance with these guidelines and payment of applicable fees. A person who refuses to adhere to these conditions is subject to criminal penalties provided by law and to immediate removal from the Capitol building and grounds.

Sponsoring organizations who are authorized, in accordance with this policy to use the public areas within the Capitol building and grounds, release the State of Georgia, GBA, its members, officers, agents, and employees against any and all damages, claims, or other liabilities due to personal injury or death, or damage to or loss of property to others, arising out of the temporary use of any State facility, except to the extent of the sole negligence of GBA.

The Georgia Department of Public Safety (DPS) or the Georgia Bureau of Investigation (GBI) are the law enforcement entities responsible for security of the Capitol building and grounds. DPS or GBI may suspend or modify the use of the Capitol building and grounds and adopt temporary guidelines as needed.

GBA retains the right to waive or modify any or all of the Guidelines contained herein on a case by case basis as deemed necessary by GBA.

Failure to follow these guidelines, or the instructions given by either GBA or law enforcement personnel, will result in the immediate removal of any exhibit or event from the Capitol building and grounds. Failure to follow these guidelines or instructions given by GBA or law enforcement personnel may result in the denial of future applications to use the Capitol building and grounds.

SECTION 2 – USE OF THE CAPITOL BUILDING AND GROUNDS**2.1 General Guidelines**

The public areas of the Capitol building and grounds include interior public areas of the Georgia Capitol, defined as the South Wing and Rotunda, and Liberty Plaza, which is designated as the only outside venue. These public areas may be temporarily used as locations for organized events, exhibits, news conferences and occasions so long as for a public or governmental purpose (birthday parties, civil unions, and weddings are examples of events that are not considered “for a public or governmental purpose”) subject to the following rules and restrictions:

1. Official public business by the agencies of the State and branches of State Government shall take precedence over any other requested use of public areas of the Capitol building and grounds.
2. Priority is given on a first-come, first-served basis, taking into consideration governmental activities and scheduled guided tours. GBA may determine priority in the temporary use of the public areas of the Capitol building and grounds.
3. Organizations and persons desiring to use the public areas of the Capitol building and grounds should apply to GBA at least 10 business days in advance of the event. Event requests more than 365 days in advance shall be denied.
4. Applicants/event sponsors/organizations are limited to one event/permit per 90 days from the date of the event.
5. GBA designates three locations for legislative press conferences: (1) the First Floor during regular hours of operation, (2) the South Wing, during regular hours of operation based on its limited availability, and (3) the Rotunda, for use only from 12:30 p.m. to 1:00 p.m. daily. Legislators requesting a press conference are to contact their respective House or Senate press office who will then work with GBA to schedule use of a location during an available time. Events scheduled in legislative conference rooms are required to be self-contained in the conference rooms reserved and shall not utilize additional space in public areas used for circulation. Events shall abide by the occupancy loads established by the State Fire Marshal for the reserved location.
6. No more than one event or display will be scheduled for the same time on the same day.
7. No event or exhibit from an individual organization or person shall be scheduled for more than five (5) consecutive days, or for more than ten (10) days in any one calendar year.
8. Once an event date, time and location is confirmed by GBA, all applicable security costs and fees associated with the event must be paid. No permit/license will be issued by GBA unless all security costs and fees are paid for an event or display at least ten business (10) days before the event or display is scheduled to take place. **YOUR EVENT WILL BE CANCELED FOR NON PAYMENT WITHIN 10 BUSINESS DAYS.**
9. Posting, hanging, or affixing signs, banners, flags, announcements, documents, or decorations on any exterior or interior surface of the Capitol building or grounds surface is prohibited. All event items and materials are to be removed upon conclusion of the event or display time. All areas must be returned to their pre-event condition.
10. It is illegal for any person, firm, group, organization, or other entity to beg, panhandle, solicit, charge for admission, or to sell goods, wares, or any other objects or services within the Capitol building and grounds.
11. Exhibits must be prominently and legibly identified in order to inform a reasonable observer of their ownership or sponsorship by either a governmental or private organization or persons. GBA reserves the right to place signage identifying any exhibit. The form and content of exhibits must be displayed in a manner consistent with the decorum of the Capitol building and grounds.
12. Every effort must be made to avoid placing cords and wires in walking areas. In the event this is not possible, all exposed cords or wires shall be securely covered in the walking areas by the organization.

13. The State of Georgia is not responsible for damage to or loss or theft of exhibits during the period of their installation, display, or removal. The exhibitor acknowledges that no special security is provided to exhibits by DPS.
14. An event organizer is responsible for property damage caused by their activities during an event or exhibit.
15. Defacing or damaging any Capitol building or grounds property is punishable by law.
16. Advanced approval by GBA is required for the use of open flames in connection with an outdoor event.
17. In case of natural disaster, unforeseen emergencies, or threats endangering public safety or health, DPS and/or GBA reserves the right to cancel (prior to or during) events inside the Capitol building or on the Capitol grounds.
18. Sound or noise which is audible to a person of normal hearing ability more than 250 feet from the point of origin is prohibited in outdoor public areas.
19. Buses and vans may park on Washington Street in the far right lane based upon first-come, first- served availability.
20. Climbing upon the statues, memorials, or other features at the Capitol building or grounds is not allowed.
21. Encroaching upon the grass and gardens of the Capitol grounds is not allowed other than the grass area located at Liberty Plaza.
22. Camping or sleeping on the Capitol grounds is not allowed.
23. Limited public parking is available in and around the Capitol Hill area.
24. Requests to modify or change the exterior lighting surrounding the Capitol building and its dome as part of the recognition of a special event, exhibit or occasion is not allowed.
25. No alcohol is allowed in the Capitol building or on the grounds.
26. Open cooking that produces grease laden vapors is not allowed in the public areas of the Capitol building. Only food warmers are allowed.
27. Organized events, exhibits, news conferences, and occasions for public or governmental purposes that take place in the public areas after normal business hours (8:00 a.m. – 5:00 p.m.) shall be approved under Section 2.2 (15) of the GBA Capitol Hill Event Guidelines.
28. During the legislative session, the Capitol building will be cleared at 7:00 p.m. or one hour after adjournment of a legislative day or any scheduled House or Senate public committee meeting, whichever is later.
29. Once a permit/license has been issued by GBA, if you need to cancel your event for any reason, please notify GBA immediately. Failure to notify GBA of a cancellation may result in the denial of future permit requests. In the event of failure to report a cancellation 24-hours prior to an event, the applicant will forfeit any fees already paid for the event.
30. PLEASE NOTE: Employees of GBA cannot accept any gifts or gratuities from any permittee or organization sponsoring an event for the help GBA provides for any event.
31. GBA strongly discourages the advertising of any event to be held at the Capitol building or Liberty Plaza prior to issuance of a permit for the event. Early advertising, whether on social media or any other source, precludes accurate estimation of attendance and may result in creating public confusion in the event a permit is not granted for the date and location requested.

2.2 Use of Interior Public Areas of the Capitol Building

In addition to the General Guidelines, the following rules apply specifically to the temporary use of interior public areas of the Capitol building:

As chair of GBA, the Governor retains the discretion to determine whether or not the above-referenced conditions, a) and b), are met.

16. "Lying in State" ceremonies are held in the Capitol Rotunda and the honor is granted by the Governor.
17. GBA has equipment (i.e., microphone, podium, chairs and tables) for use at exhibits or events. Fees are charged for any equipment, utilities, and labor used for setup and/or removal. Arrangements for equipment should be made at the time of application. There is a flat rate \$40 fee for the setup of tables and chairs. The rental of linen is a separate \$10 fee per linen. 1. Any use of the public areas of the Capitol building for filming will be subject to those terms and conditions documented in a separate written license agreement entered into by GBA and the organizations responsible for the film project.
2. In addition to other fees which may be charged by GBA (including but not limited to parking fees, facility cleaning fees, and costs associated with work orders), the base fee for issuance of the license and the use of the public areas of the Capitol building shall not be less than \$25,000.00 per calendar day.
3. GBA reserves the right to prohibit the presence of beverages containing alcohol, including but not limited to distilled spirits, liquor, beer and wine, within the Capitol building as such beverages may be associated with or used in the filming of any movie or television production.
4. GBA reserves the right to review any screenplay, scene description, script pages, and costume or wardrobe descriptions prior to issuance of a license to use the public areas of the Capitol building for filming.

5. Electrical power is available at Liberty Plaza for use only if an event has a permit/license for the area. An event using the area may provide electrical generators at their own expense. An event sponsor will be responsible for any damage occurring as a result of the use of electrical generators.
6. If the event will impact streets adjacent to Liberty Plaza, and/or the group is larger than the State Fire Marshal Occupancy of 3,400 for the Plaza, the applicant must obtain a lane or street closure permit from the Special Operations Division of the Atlanta Police Department.
7. A temporary structure may be anchored to the grass areas with sand bags only.
8. Equipment or structures temporarily erected by an organization or persons, as part of an event, shall be removed daily by the time scheduled for the closing of Liberty Plaza, with the exception of multiple day events that obtain a license agreement. Structures must comply with any requirements as set forth by the Fire Marshal's Office.
9. The ringing of the Liberty Bell will only take place on occasions of state or national significance as determined by the Governor.
10. If a sound system is being used during a Liberty Plaza event, then the speakers placed on the stage shall face straight ahead and be pointed at the Liberty Plaza flags. Speakers placed on either side of the Capitol Avenue entrance must face east. At least 5% of the porta toilets (but no less than 1) must be accessible to people with disabilities. Events not adhering to the porta toilet guidelines will be canceled. Proof that the appropriate number of porta toilets has been secured for the event must be provided 24 hours prior to the event.
