

Maintenance Tech 2

(Facilities/Maintenance)

OUR MISSION... To provide a clean, comfortable, and safe environment on Capitol Hill.

The Georgia Building Authority (GBA) is responsible for all services associated with the management of 36 buildings and various facilities located in the Capitol Hill Complex in Atlanta, Georgia, including the Georgia State Capitol building and the Governor's Mansion in northeast Atlanta. GBA provides maintenance, renovations, housekeeping, landscaping, food service, event catering, recycling, parking, and building access services to state employees housed in GBA-managed facilities.

Maintenance Tech 2 (MTP)

Website: www.gba.ga.gov

Position Overview

Duties: Under general supervision, assists and plans, implements and monitors facility maintenance programs to include construction and repair. Performs a variety of semi-skilled and skilled building trades work in the repair, maintenance or construction of state buildings and related structures. Installs and maintains building systems, including climate control and other facilities systems. Position requires 24 hour on-call availability.

Minimum Qualifications (Agency Specific): Bachelor's degree in a related field from an accredited college or university OR High School Diploma or GED AND Three (3) years of experience in building repairs and maintenance. Must be able to lift up to 50 lbs. Must have a valid Georgia Driver's License and meet the agency's requirements to be an authorized driver.

Competencies: Considerable knowledge of the methods of maintenance and repair; experience and skills required in technical areas such as welding, HVAC, carpentry, sheet metal fabrication, electricity, plumbing, etc.; experience with the use of relevant trade tools, equipment and materials. General knowledge of building construction/repair with considerable skill in at least one trade relating to renovation/construction. Ability to read, interpret and apply construction plans, specifications and blueprints. Working knowledge and skill in diagnosing maintenance and repair problems. Some skill in supervising less skilled mechanics. Ability to lift, push, pull and carry heavy items. Ability to lift up to 50 lbs.

If applying for a position that requires a degree, an official college transcript must be furnished. Only educational credentials from an accredited institution will be considered. GBA will select the most qualified applicants for an interview; only those selected for interviews will be updated on position status.

The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.

Due to a large volume of resumes received by this office, we are unable to provide information on your resume status over the telephone. No notifications will be sent to applicants except to those who are selected for interviews.

This position is subject to close at any time once a satisfactory applicant pool has been identified.

GBA is an Equal Opportunity Employer and does not discriminate on the basis of color, race, national origin, age, sex, religion or disability.
